

Learn Danish Quickly

For the fast learner we offer Danskprøve 3 Vantage level (B 2) lasting only one year. (The Common European Framework of Reference for Languages)

This course is designed for students with a solid academic background who can be expected to learn Danish as a foreign language quickly and efficiently. The progression is fast and the level advanced.

The course starts on September 1st 2009.

Your qualifications are:

- High school, upper secondary level
- Mastery of a western European language
- A will to stay focused and study intensively
- The opportunity to do your homework

You will have to study Danish on a daily basis, whether it is class - or internet - based teaching, which makes you able to study the language wherever you are.

There will be prescribed exams to pass (tests 1, 2, 3, 4) together with weekly tests in both verbal and written communication.

*We place great emphasis on
pronunciation teaching*

We are able to offer you Studieprøven afterwards.

This exam is held at level C1 (**Proficiency**) of the CEFRL

The Higher Education Examination is required for admission at most universities in Denmark: GIF, HF and other forms of education
